

RQ Worker

Einleitung

The screenshot shows the RQ Worker web interface. On the left is a sidebar with navigation links: 'Filtern nach', 'Zugewiesen zu', 'Erstellt von', 'Filter bearbeiten', 'Schlagworte', 'Schlagworte anzeigen', and 'Filter speichern'. The main area displays a table of workers. The table has columns for 'ID', 'Status', 'Queue Type', 'Successful Job Count', 'Failed Job Count', and 'Zuletzt aktualisiert am'. Three workers are listed: ID 1595 (default queue, 4595 successful jobs), ID 1597 (long queue, 103 successful jobs), and ID 1596 (short queue, 475 successful jobs). All are in 'idle' status. A search bar and a 'Listenansicht' button are at the top right.
